C. Declaration of foreign end user (or reselling consignee)

Context:

Art. 9.2. of the EU Regulation EC 428/2009 states that the granting of an export licence may be subject to an obligation to provide an end-use certificate. The competent export control authority: Strategic Goods Control Unit, Flemish Department of Foreign Affairs, Havenlaan 88 bus 80, 1000 BRUSSEL, Belgium, requires a correctly filled-out and signed end use certificate for every individual export licence application.

Signing this end-use certificate contractually binds the signing entity to the receiving government. Violation of the declarations made hereunder may result in contractual penalties, and administrative and/or diplomatic measures.

Declaration:

☐ **C.1. Please tick this box to indicate that your entity will act as end user and fully obligates itself to the following (for traders, whole- or re-sellers see Section C.2. below)**

We (I) certify that the items described in Section B. supplied by the exporter named in Section A.1.:

- will only be used for the purposes described in Section B.5. and that the items or any replica thereof are intended for final use in the country named in Section A.6.;
- that the items or any replica thereof will not be used in any nuclear explosive activity or unsafeguarded nuclear fuel-cycle activity;
- that the items will not be used for any purpose connected with chemical or biological or nuclear weapons, or missiles or UAVs capable of delivering such weapons;
- that the items will only be used for civil end-uses (*delete if not applicable*);
- as far as technology is concerned, we (I) certify that we (I) treat the technology strictly confidential and neither pass the technology on to other companies nor shall we (I) make knowledge available to third parties. In case of goods produced by the help of transferred technology, these goods will only be delivered to a third person/company on condition that this third person/company accepts the commitments of the above declaration as binding for itself and on condition that this third person/company is known to be trustworthy and reliable in the observance of such commitments.
- We (I) further certify that we (I) will not re-export the items to third countries without the consent of the Belgian authorities. Re-exportations to EU countries or Countries listed in Annex IIa of EU dual-use Reg. n° 428/2009 (Australia, Canada, Japan, New Zealand, Norway, Switzerland, including Liechtenstein, and United States of America) do not require any consent of the Belgian authorities.

☐ **C.2. Please tick this box to indicate that your entity will act as trader, whole- or re-seller (only to be completed if Section C.1. is not applicable / end-user cannot be determined yet)**

We (I) certify that the items described in Section B. supplied by the exporter named in Section A.1. will only be delivered to customers considered absolutely reliable by this entity.

- The customers shall declare unequivocally that the items described in Section B. or any replica thereof will not be used in any nuclear explosive activity or unsafeguarded nuclear fuel-cycle activity; that the items will not be used for any purpose connected with chemical or biological or nuclear weapons, or missiles or UAVs capable of delivering such weapons.
- The goods will only be delivered to a third person/company on condition that this third person/company accepts the commitments of the above declaration as binding for itself and on condition that this third person/company is known to be trustworthy and reliable in the observance of such commitments.
- The customer shall not re-export the goods to third countries without the consent of the Belgian authorities. Re-exportations to EU countries or Countries listed in Annex IIa of EU dual-use Reg. n° 428/2009 (Australia, Canada, Japan, New Zealand, Norway, Switzerland, including Liechtenstein, and United States of America) do not require any consent of the Belgian authorities.

Met opmerkingen [GM20]: Indicating this box means the entity signing this documents acts as the end user.

If the end user is known at the time of licence application, this entity should sign this document.

Met opmerkingen [GM21]: Please make sure this commitment is in line with your declarations under Sections B.4. and B.5.

Met opmerkingen [GM22]: Indicating this box means the entity signing this documents acts as a trader, whole- or re-seller; this implies that the exact end users for every single item are not known at the time of licence application.

Met opmerkingen [GM23]: The person mentioned here declares that:
→ he or she has the authority to legally bind the entity named in Section A.2. or A.3. and has the legal capacity to make commitments on behalf of this entity;
→ all the information contained in this document is true and correct;
→ the entity will comply with the above-mentioned relevant commitments.
